This Falcon team had extremely sharp talons this season, only to lose a tension-filled match by a mere few points, giving the Franklin Wildcats the MML Title. We had the upper claw, though, with the All-MML Team placements. John M. Rossi and Jay Byrne made First Team MML All-stars. John also walked away with the Player of the Year in the MML. Dan Segrist was named to the Second Team All-League, and Jim Klosterman received an Honorable Mention. With this seasonal record the Falcons can hold their heads high among their highly competitive opponents.

For twenty three seasons, one man has built and led the Fenwick football program. Year in and year out, one man has brought success and a large measure of fame and glory to the Red and Gold. Two State Championships and three other trips to the Final Four have been high points for the Falcons, and for our fine head football coach Jerry Harkrader. For all these years, Harkie has been a leader and an example for those who have played for him, coached with him, and known him as a man. We wish to thank Jerry for all he has done for Fenwick. He will never be forgotten in the hearts of all who have known him. Thanks Harkie!

bye bye bye betty

This year brought the retirement from Fenwick of two real pillars of the school. Mrs. Betty Krizan. Mrs. Krizan has kept Fenwick students well fed for many years in the cafeteria, and Mrs. Jackson has somehow kept all the bills paid and the tuition records straight for some fifteen years. These are two people who will be hard to replace in their jobs, and impossible to replace in the hearts of all true Falcons. Good bye and good luck, Betty.

The long months of work are finally over. Here it is, the 1979-80 Turres. We feel the book is a success in capturing what Fenwick and its people are all about. There were times when we thought we would never be finished, but through all the deadlines, frustrations and personnal satisfaction we finished. The Turres staff of Jenny Ritter, Ann Schramm and Father Tom would like to thank Maria Rossi, Maura Reilly, Mary Carol Horne and Mary Skinner for selling our ads. A Special thanks to the office staff who put up with us during the year, and to Easterling Studios for the pictures that were made possible for your enjoyment and memories.

Student Council opened its doors for much improvment this year by getting involved in new activities and projects. The old yearbook room was transformed into a Senior Lounge used for studying and talking during lunch. Student Council also played a major part in orientation this year, showing prospective freshmen Fenwick at its best. A Sweetheart Dance was initiated for the Freshman and Sophomores, which was held in May. Student Council also competed in the "Anything Goes" contest held at Madison High School. The team was victorious and brought home a huge trophy. Student Council also engaged in school exchanges in order to see how other schools were run and how to improve our own government. Our thanks goes out to Student Council for a great job this year.

The Forensics Club is in its first year at Fenwick, and what a year it was. Started by Mr. Landon, with the assistance of Mr. Gregory Fenwick added still another activity to an already busy schedule of events. Starting with novice events and small tourneys, the Falcon debators and eventspersons learned the ropes and soon moved up to greater levels of competition. The year was highlighted by placing two team members in the State Tournament. Mike Bidwell finished as State Runner-up in his field. Junior Chris Jordan took all the marbles, claiming a well deserved State Championship.

Just looking back at the past year all the crazy things, all the fun things, and all the exciting ones to. We've shared just about every mood. I hope we always be this close!

Remember when I am gone away,
Gone far away into the silent land;
When you can no more hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day to day
You tell me of our future that you planned;
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve;
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.
